LEARNING TUSCANY

Costs listed below are estimated to assist you in your financial planning.

The University of Texas at Austin or the Program Provider reserves the right to adjust its fees in the event of significant change in exchange rates or other factors prior to the program start date. The actual cost of the program may vary slightly for students depending on tuition rate, unique charges and individual spending habits.

Tuition amounts listed typically use the undergraduate in-state Liberal Arts rate. To estimate your own costs, please include the appropriate tuition amount based on your college/school, residency status and classification.

Once admitted to the program, a specific budget will be prepared and transmitted to the Office of Scholarships and Financial Aid OSFA (as applicable and necessary) for each individual student.
