Department of Art + Art History Postgraduate Policy for Studio Art courses:

Undergraduate students may only register for up to 3 hours of coursework in a Studio Art (ART) course, in the semester following completion of their degree awarded by Department of Art + Art History at UT Austin. Prerequisites are enforced on all courses.

Undergraduate students who have completed a degree from the Department of Art + Art History at UT Austin may not register for an ART course if registering beyond one long semester past the semester in which the student graduated. However, if seats are available in an ART course, on the 4th class day of the semester, students may register for the open course. Students interested in registering will need to see Elana Logsdon, in person in DFA 2.530, to register.
